Re: Druscovich v. Andrews, et al  
Docket # 25-cv-572

Dear Judge McMahon:

I represent plaintiff Marco Druscovich in the above-entitled matter. I write with respect to the initial pretrial conference currently rescheduled from April 10 to 11 a.m. on June 5 to alert the Court that, while the federal defendants have accepted service, I have still failed to properly effect service on the N.Y.P.D. defendants. The time within which to effect service having expired, I am in the process of determining whether I have good cause to seek an extension of time to accomplish service or whether I must refile the complaint. I assure the Court that I will accomplish the appropriate alternative within a week. I am also in discussions with the Government about whether to continue to proceed against the federal defendants.

Given my continued failure to accomplish the events the Court likely anticipated in scheduling it, the Court may want to adjourn the scheduled conference. If not, I will appear as ordered to answer any questions Your Honor may have about the matter.

Respectfully,

Thomas Eddy
